

Supply List Summer 2009

Class Title: Hello My Name is
Instructor: Lynn Cooper
Date & Times: Monday June 15, 6:00 - 9:00

Please bring the following items to class with you on the first day:

sewing machine in good working order

sewing machine manual

accessories that came with the machine

sewing machine feet that fit the machine

A selection of all- purpose threads that you normally use, or (for the totally new to sewing) a spool of 100% cotton thread, 100% polyester thread and a cotton poly blend thread. If you have any specialty threads--rayon, embroidery, blue jean--bring those. Please spend the small amount of extra money to buy a good brand of thread--Coats & Clarks, Guterman or Mettler for example.

extra sewing machine needles in 2-3 sizes & pins

scissors, thread snips and any other supplies you normally use for sewing

scraps of fabric, especially fabrics you have had trouble sewing in the past.
