Parking

We have a small lot directly behind the Textile Center building.

There is lots of street parking in the neighborhood surrounding the Textile Center.

You may park at a surface lot at 29th Ave and University which is about a block NW of the Textile Center. Turn on 29th and go about 1/2 block. You will see a surface lot on the left. It is \$1.50 per day to park there. You pay by putting your cash in a little envelope.

On weekends and evenings ONLY, you may park in our neighbors lot at Osvalds. Turn in the alley just behind the apartment building to the west of the Textile Center. The alley is almost directly across from the back corner of our building. Drive all the way to the end of the alley. There is a large gravel lot next to a white building.

Please be kind to our neighbor businesses and do not park in their lots. Anything to the left of our Textile Mobile (very large red truck parked in our lot) belongs to the business next door.
